

# KIDS PARTIES!

Give them the party of a lifetime with Virtual Room – the world’s best team-based VR experience

- A Virtual Room party will totally WOW your kids and their friends – sure to be talked about for weeks after!
- They will experience a truly immersive and mind-blowing adventure as they communicate and work together in a totally realistic virtual world – each kid has their own room where they can move around
- Their mission is to save the world and in teams of 2-4 players, they will travel back into historical eras such as ancient Egypt and the moon landing to solve puzzles and challenges
