What is Virtual Room?

- Virtual Room is the world's best team-based virtual reality experience and the only one specifically designed for social groups and parties (not gamers)
- It is a totally unique experience for social events – quite simply it's team building with a WOW factor
- Designed from the ground up to be a fun and social experience, it blends the escape room concept with a full 3D cinematic experience to deliver a unique, immersive and mind-blowing adventure
- Played in groups of 2, 3 or 4 where each player has their own dedicated room - you will talk to each other, walk around, bend, throw objects and collaborate together to solve the puzzles and challenges.
- The adventure lasts ~45 minutes and sends you back into 5 different time periods such as ancient Egypt or the moon landing
- Guaranteed no motion or seasickness unlike other more inferior VR experiences

It's unlike anything you've ever experienced before - immersion, freedom, adrenaline, the ultimate thrill!

Who is Virtual Room For?

- Virtual Room can be played by anyone aged 10 and over
- It is a perfect team building activity, birthday party, hen's night or bucks event
- There is no strenuous physical activity required, all you need is a healthy, working brain!
- Players who normally wear glasses or contact lenses should wear these during the game
- Virtual Room is not recommended for pregnant ladies, people suffering from epilepsy or those in a wheelchair

Companies & team building events

Friends and families – birthdays, hens, bucks parties etc

Schools, colleges and universities

Travellers and tourists

The Virtual Room Missions

- There are two Virtual Room missions, both following a time travel theme
- Chapter 1: Your mission as the Omega Team is to set off into historical periods of time such as ancient Egypt and the medieval ages to recover vital pieces of information lost by the Alpha Team
- Chapter 2: Earth is once again threatened, you must travel back in time to places like the ancient Aztecs and recover valuable energy sources to combat a life threatening plague.
- Teams must play Chapter 1 before they can play Chapter 2 as it is much more challenging

Players have 45 minutes to complete the mission

Players are monitored in the game and can request hints from a dedicated Game Master

Teams can compete against each other to see who finishes the mission first

Complimentary dress up photo shoot after the game
